**NEW Children's Class
for ages 6-8 years old**

The Language in Art

Instructor | Toni Ivashkov

Mondays | 4:00-5:30pm

**Tuition | \$240 for 10 weeks
or 4 weeks for \$105**

- Drawing and Painting
- Making a sketch book
- Building 3-dimensional Sculptures

Students spend 90 minutes creating hand's on projects that teach the fundamentals: color theory, perspective, composition, two-dimensional and three dimensional art. A key component of this class involves exploring materials such as: plaster wraps, aluminum foil, acrylic and oils paints,

watercolor, artist canvas and much more.

As a class and individually, students will explore the many ways of understanding art, as they learn to interpret what they see as well as what they are feeling through art.
